

Power Pulse 3200K - 4000K

WELD THE WORLD

3 x 400Vac

A black and orange Weco welding power source on wheels. The unit has a digital display on the front panel showing various settings. It features a black handle on top and a large black wheel on the right side. The Weco logo is visible on the orange side panel. The unit is mounted on a black frame with four wheels.

Sonder MIG/MAG Kennlinien: **K-DEEP, Puls HC, Power Focus, Power Root, DSI, POWER MIX.**
